METHODIST CHURCH

JAMES E. HARRELL, Pastor

Church School, 9:45
Morning service 10:50
The Juniors will meet at 6:15.
The Supt. of the Church School,
Supt. of the Young People's Division,
The Counselor together with all teachers and parents of the Young People will meet the Young People between the ages of 12 and 23 in the church basement at 6:15.
The evening service will begin at 7:30.

The Woman's Society of Christian Service meets at 3 o'clock Monday afternoon.

Mid-week service and choir practice Wednesday night, 7:15 to 8:15.

Sunday is the closing day of a two weeks revival in many churches throughout the Abilene district which climaxed with a great school of Evangelism under the direction of Harry Denman, general director of Evangelism. A great revival is in progress in the four churches of Abilene, and the conferences of many district pastors at St. Paul's Church each morning at breakfast have been very instructive, helpful and spiritual. The services in our local church have been very, very spiritual indeed.

The Pastor will preach at both the morning and evening services next Sunday and the musical and song services are to be inspiring. See if it doesn't help to go to church next Sunday!

A special invitation is given to all visitors.

A college student wrote the following letter: "Dear Dad, Guess what I need most of all. That's right. Send it along. Best wishes, Your Son, Tom."

And here's the reply: "Dear Tom, Nothing ever happens here. We know you like your school. Write us another letter. I have to say goodbye now."

Miss Carolyn Greenway arrived Thursday from Los Angeles, Calif., where she had visited two brothers, to spend a few days with her parents, Mr. and Mrs. Roscoe Greenway, before returning to her school work in Los Cruces, New Mexico. Miss Greenway is a teacher of Physical Education in the High school of that city.

J. F. Thurman Died In His Lubbock Home

A former pioneer citizen of Hamlin, J. F. Thurman died at his home in Lubbock at 8:40 A. M. Tuesday, January 6, following several years of invalidism.

Mr. Thurman was born in the state of Tennessee April 7, 1867, and was 74 years, 9 months at death. He came to Texas with his parents about four years of age, and settled near Sipe Springs in Comanche County. He was married to Kate Flemming, who preceded him in death just a few years. To this union there were three children, one a son, who died at the age of seven. Two daughters survive, Miss Stella Thurman, a teacher of long service in the Lubbock schools, who kept the home after her mother's death; and Mrs. Earl Temple (formerly Miss Lella Thurman) of Lamesa, Dawson County. He is also survived by four brothers, two of whom were present from Corbon, Texas.

The Thurman family came to Hamlin in early days and for a long time Mr. Thurman was in business here, most of the time a grocery merchant. The older people of Hamlin will remember Jim Thurman as a substantial citizen, one who went about life in an even, quiet manner. He was a friend maker, a typical man of the old school of pioneers.

Mr. Thurman was a faithful Christian gentleman, a member of the Methodist church.

The body was conveyed to Hamlin Wednesday and at 2:00 P. M. funeral services were conducted in the Methodist church, with the pastor, Rev. Harrell, participating with Rev. Roberts, the pastor of the First Methodist church in Lubbock, and Rev. J. Henry Littleton of Abilene. Rev. Harrell gave the scripture reading; Rev. Roberts made a short talk on the life of the deceased during the last months and days, and Rev. Littleton, a cousin of Mr. Thurman, delivered a very touching, intimate sketch of the lives of the Thurman family as they touched his family and on through his own years of love and esteem for "Aunt Kate and Uncle Jim" as he affectionately called them.

"Uncle Jim" Thurman had a friend in everybody who knew him, especially in Hamlin. However the day was bitterly cold and this kept many from coming out for the funeral.

The active pallbearers were Ira Clements, Bill Rountree, Sock Hudson, Geo. Howard, Bill Calhoun and a Mr. Sanders of Lubbock. Those on the honorary list were A. H. Carlton, J. J. Waggoner, Bowen Pope, J. W. Ezell, W. N. Temple and W. W. Green.

The Barrow Company had charge of interment in East Side Cemetery.

Little Johnny didn't know much geography or much history but he did know addition and was quite proud to announce that he had made 100 on his first report card—60 in geography and 40 in history.

ANNOUNCEMENTS

For
PUBLIC OFFICE—JONES CO.

FOR COUNTY TREASURER:

C. J. (Bill) ARMSTRONG
(Re-election)

FOR SHERIFF:

BILL DUNWODY
(Re-election)

C. J. (Bill) Armstrong Is First To Announce

Maybe you had forgotten that this 1942 is "candidate" year. Well, it is, but not much activity yet. However, the Herald has received one announcement from a Jones Co. official . . . Bill Armstrong is requesting the people to re-elect him as County Treasurer.

Bill is a deserving young man, who made a valiant race two years ago against a bunch of fine men. He won out and has given complete satisfaction in that office, as far as this part of the county has heard.

Now here's what Bill says for himself:

"I am deeply grateful to the people of Jones County for electing me to be your County Treasurer in the last election. It has been my constant aim and purpose to serve you courteously, honestly and efficiently. "Now I am asking you to elect me to this important office for a second term and, if you will confer this favor upon me, I shall be profoundly thankful and shall continue to give my best efforts toward making you an acceptable servant."

Graefully yours,

C. J. (Bill) Armstrong

Bill Dunwody For Sheriff of Jones Co.

To The Voters of Jones County:

I take this method of submitting my candidacy to the voters of Jones County for the office of Sheriff. As you know I have been your Sheriff for the past 3 years and have devoted my entire time to the duties of the office, whether or not I have made you a good Sheriff, will leave that for you to say. I can say however, that I have done my level best and as I have enjoyed your fullest co-operation, it has been a most pleasant 3 years.

I appreciate the assistance and co-operation of the various departments of our County and State Governments with whom I have worked in close harmony and feel that our work has been successful. I wish especially to thank the individual citizens for their co-operation, for without such assistance and co-operative work of the law abiding citizens of our county, successful law enforcement would be impossible.

I would like very much to see each of you in person between now and the election, but that will be impossible as the work you have hired me to do will come first, and as our country is at war I expect to devote the time I have left to defense work as I feel that is my duty, as well as every loyal American citizen.

Making you the same promise I made you before that it will never be too cold, too dark or too muddy for me to serve you. Therefore, I earnestly solicit your vote and influence in the coming primary.

Yours to serve

BILL DUNWODY

Hamlin folks, and people of Jones County, Sheriff Dunwody has a straightforward statement for your consideration. The Herald has never heard anything but the best reports from the present sheriff's office. Bill Dunwody goes about his duties as sheriff in a most pleasing and accomodating manner. He treats everybody as though they were a part of his office, and they are. He keeps wide awake and ready for anything that comes his way. The office of sheriff is one of the most important in the county, and we feel sure Bill will continue to hold the highest regards of our citizenship.

Contract Was Let For Highway No. 92 Hamlin-Rotan, \$248,700.00

United Nations—

It was a grand stroke of action when the United States, Great Britain, Russia and China, got together with a total of 26 nations for united action against the forces of Germany, Italy and Japan.

Really it was an idea of President Roosevelt that brought the United Front into signatories.

Of all the 25 nations, China has more cause to be happy. For she has suffered four and a half years against odds that her bare hands could not meet. Her cities, and citizens have been destroyed and now at last, a long last last, she is to get a little help, and let us hope a lot of big help.

If China could be furnished with enough to fight, there would be no need for any other country to go against Japan. At least she would push the Japs out of their mainland.

The fight is on, and the United States will see to it that when they sit around the peace table there will not be a thing left to the G. I. J. outfit that can be called "war goods." Every ship, every submarine, every fighter and bomber plane, and munitions plant must be destroyed or surrendered before the 26 United Nations and their conquered friends of other nations can feel that such a terrible situation can never happen again.

Olen Young Letter

U. S. Naval Hospital Pearl Harbor, T. H.

DEAR MOM:

Have been pretty busy the last two weeks and have not had time to write, but some of our patients have been discharged and the pressure has been relieved some. Have been working between twelve and fifteen hours a day since the raid, but things will be run on the usual schedule by next Monday. (Letter looks like it was dated Dec. 19).

Guess you have heard all the details about the raid. The loss was pretty great, but not great enough to keep us from licking the Japs. They know that they are inferior to us, otherwise they wouldn't have struck like they did without actual war being declared. They caught us napping on a Sunday morning when we least expected it. Even with all the excitement that day, I still remembered it was your birthday.

All last week I worked on the morgue detail, identifying bodies and preparing them for burial. Most of the men were buried over here. Worked all of this week on the ward helping with the burned cases. It all was a pretty big mess. Am back in the hospital now. (Olen is in the medical detachment, you know).

That's about all this time so I'll stop. Have a Merry Christmas and Happy New Year.

With love,

Olen

(It would appear only one week had passed after the "raid" till Olen wrote his letter).

Mr. and Mrs. O. L. Jenkins enjoyed the presence of their children and families on New Year's Day and Sunday. This included Mr. and Mrs. W. A. Norris and daughters, Gwendolyn and Patricia Lou of Kemp, Texas; Mr. and Mrs. Ernest Jenkins of Sweetwater; Mr. and Mrs. Earl Kiser of Rotan; Mr. and Mrs. John Calvin Jenkins and Mr. and Mrs. Alvis Bond of Hamlin.

Mr. and Mrs. G. D. Raney had as their guests last week end, her brother, Tom Randolph from Hemet, Calif.; a sister Mrs. D. H. Craddock and husband, O'Brien, Texas; a brother, Guss Randolph and children Paul Randolph and Mr. and Mrs. Perry Ausmus from Lubbock. They had planned a reunion of all the brothers and sisters, but Henry Randolph of Vernon was unable to attend.

Hamlin and Rotan people feel greatly relieved to know NOW that the contract was let Tuesday for the completion of the longed-for hard surfaced road between the two towns.

Thomas & Ratliff, of Rogers, Texas, were the low bidders, taking it for \$248,700.00. This calls for grading, culverts and flexible base with asphalt surfacing of the 20.315 miles which extends State Highway No. 92 from Highway No. 83 in Hamlin to Rotan. This gives Rotan a direct outlet east through Hamlin and Stamford, or northeast through Hamlin and Aspermont. It gives Hamlin its only hard road west of this point. This contract is based entirely on State funds. The federal government has no part in it.

This road is a great New Year's gift by the state to Hamlin and all the north side of, Fisher county. These two communities have not fussed much about getting this road; have borne the discomforts of no road a long time, and now that it is a reality, many expressions have been heard on all sides.

This new construction comes under the supervision of District Engineer J. Shelby Treadaway, who has rendered signal service to this part of Texas. The Herald really believes this district has the best engineer in Texas.

HAMLIN TO GET SEVEN

BLOCKS STREET PAVING

There is still another fine angle to this road contract. Through the co-operation of the City of Hamlin, and the property owners along the seven blocks on FIFTH STREET, a street-wide paving, with curb and gutter is included in the contract. This should bring about two new names for streets in Hamlin. The east end should NOW be called Stamford Avenue and the west end Rotan Avenue.

The west end (Rotan Avenue) is strictly a residential street, while the east side has mostly commercial enterprises. The west end should be carefully guarded against shabby business and "litterations", for it promises to be one of the prettiest approaches into any town in West Texas. This is true also for the North end of Central Avenue. In fact, our streets and "front doors" are just what the citizens demand. In this connection, let the Herald say that Hamlin City Council should pass a street and sidewalk ordinance to prevent individuals from appropriating such "passage-ways" for personal use. There is a lot to be said on this subject. Again we must say, a town is "ratty" when people permit it to be. Let one individual take for himself public property, encourages others to do so.

You bet! Hamlin is proud to get a new road.

CHURCH OF CHRIST

Mt. 25:15 "And unto one he gave five talents, to another two, and to another one." Verse 25 "And I . . . went and hid thy talent."

Are we hiding the talents that God has given us? Are we doing all that we can to exalt the Bible, the word of God? At this time when people are concentrating attention on the world condition, it is more important than ever that we not forget God.

"A talent bright was mine

Long years ago.

"Use it," the Giver said,

"Twill brighter grow."

I used it; how it shone!

And then one day,

For just a whim,

I laid my gift away.

Untouched I left it

While the years rolled on.

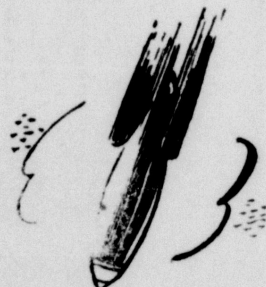

Today I seek it,

But my gift is gone."

Comments On The War

BY EDITOR

Since last week Manila has fallen, and the Philippine Naval base of Cavite goes with it. This means that all defense materials were either removed or destroyed. Still General McArthur holds on with a spunky little army of American and Philippine troops. Corregidor with its mighty guns will hold out a long time.

On the Maylaya front the Japs have continued to pour in more and more troops and tanks and planes, and have kept steadily gaining ground. They are seeking and getting rubber, oil, tin, zinc and other badly needed war materials.

Slowly information trickles in from Hawaii and Pearl Harbor. Great damage was done there and Americans wait til the day when plenty of blows will be given in return. In the meantime, it is possible that Americans will suffer more setbacks.

The grand strategy of the Japs is becoming well known by now. First it was to cripple the American fleet in Pearl Harbor, take the Philippines, gain full control of the China Sea and all approaches to the Malaya peninsula and finally take Singapore, which would throw open Australia and the Indian Ocean. The greatest battle grounds for American navy and army will be in the great southwest part of the Pacific.

The United Nations will likely quit pussyfooting with French territory that is outside of the main conquered territory, and help take over all sections that wish to be free again. The quicker the better. The more Germany and Japan cap-

ture the longer the war. America has spoken. The world now knows that this nation is on its way. The decks are cleared. On top of all the big things accomplished by the country since the fall of France, now will be piled hundreds of thousands of the best small guns in the world, and tens and scores of thousands of airplanes, tanks and far-reaching highpowered cannon. These will cost money but money and all else we may have would be worth nothing without victory.

War calls have the right of way

In these troubled, wartime days the first duty of the telephone company is clear.

Our Army needs communication . . . fast, dependable communication to every part of this nation.

Our Navy needs it . . .

The industries which supply ships and guns and shells need it . . .

To provide that communication, the 28,000 men and women of the Southwestern Bell . . . the entire physical resources of this company . . . stand pledged.

The nation's job is our Number One job. The messages of war must go through as quickly and as surely as it is possible for human beings to handle them.

In blackouts, or during local emergencies born of war condition, please use your telephone only for vital calls.

Your help will keep the wires clear so that responsible officials may deal promptly with the situation.

Juniors Plan Play

There's excitement in the Junior class. Or hadn't you heard? They have chosen their annual play. The name, which you will soon be repeating is "Little Geraldine." This exciting piece of entertainment has twelve characters whose troubles and fun are so vividly portrayed that you will find yourself laughing and crying as they do. Casting begins some time next week.

Watch for further information in connection with "Little Geraldine."

ROUND TOP NEWS

Here we are again beginning a New Year. And is it cold out here! Mr. and Mrs. Terry Cooper accompanied Mr. and Mrs. W. D. Berry and children, Patsy and Gerald, to El Paso last week to visit their sons, Reed Cooper and Doug-Berry, who are stationed at Fort Bliss.

Mr. and Mrs. Frank Allen and children Don J. and Annetta, M. D. Brown, D. B. Scott and Mrs. Bill Cooper and daughters, Mary Nell and Christine, were visitors in the home of Mr. and Mrs. John Shelley Monday.

Paul Cooper has been ill this week with sinus.

There was no school at Dowell Monday and Tuesday due to the fact that the superintendent, J. C. Conradt, had contracted chicken pox.

Mr. and Mrs. W. D. Berry and daughter, Louise, of McCaulley, were visitors in this community Thursday.

D. B. Scott and son, Buck, visited their daughter and sister, Mrs. George Leonard and family in Pecos last week.

Mr. and Mrs. Odell Garrett have been visiting his mother in Hamlin. James Shelley is visiting friends in Lubbock this week.

We are glad to report that Bart Jameson is improving after a prolonged illness.

We are very proud to report that the boys in uniform of this community are doing their very best in Uncle Sam's service.

Student Body Hears
Supt. Bennett

On Thursday, Jan. 1, the students of H. H. S. were called to the auditorium for assembly. The student body sang "God Bless America" and "America" under the direction of Mr. Brooks. Mr. Bennett gave a talk on the present war crisis and the need of united prayer throughout the nation. Pointing out how the well known excuse, "It can't happen to us," so often leads to disaster, he told the story of the Johnstown flood. He stressed the importance of being prepared at all times for any eventuality in this war. He advised all students to be extremely economical in every phase of life. The program was held on January 1, the National Day of Prayer, and the talk stressed the need of prayer in our present world crisis. Mr. Bennett closed the program with a prayer for all nations engaged in this world struggle.

Clyde Smith Moves
To Fort Stockton

Mr. Clyde Smith, who has been head of the music department of the Hamlin schools for the last two years, takes his position as band director at Fort Stockton this week.

Under his direction the band has greatly increased its membership and added several new instruments. He was the originator of the drive for new uniforms and has also served as co-sponsor for the senior classes both years.

At Fort Stockton, Mr. Smith will be in charge of the music department. Although Hamlin High school regrets losing him, they realize that it is a great advancement for him and hope that he will enjoy his work there and continue to progress.

In appreciation for his work here both the band and the senior class gave him parting gifts.

Homemaking I Classes
Exhibit Dresses

Fifteen of the best cotton school dresses made in the two Homemaking I classes were exhibited last week in Bryant-Link, Schoemann, and Malouf windows.

The following score card was used by the girls to judge each dress:

1. Suitability, 30. To the individual 15, to the occasion 15.
2. General Appearance, 25. Design 8, individuality 8, color combinations 5, texture combinations 4.
3. Workmanship, 25. Cutting 4, fitting 8, quality of finish 5, appropriateness of finish 5.
4. Economic Aspects, 20. Value in relation to cost in time and money 10, durability of materials and design 5, cost of upkeep 5.

Girls whose dresses were exhibited were: Frances Wilson, Betty Lou York, Frances Gardner, Juancy Hamric, Keith Louise Jobe, Hortense Phenix, Joan Culbertson, Bernice Donaghey, Ola Jean McInroe, Koleta Adkins, Juanita Elkins, Tressie Faye Young, Lobbie Lou Kelley, Grace Turner, and Wanda Williams.

He's a Real Piper—
HAINES

This tall, good-looking brunette halfback of this year's Piper football team, is noted for his friendly disposition. He likes foot ball, Dorothy Lamour, Mickey Rooney and banana pudding. He says his favorite subject is Civics. (He hopes Mr. Morton will take notice of that.) His hobby is hunting and he prefers blondes (if they aren't stuck up). He hopes he can attend Texas Tech and his ambition is to be a chemical engineer.

Girls' Volley Ball
Squad Formed

Part—and a big part—of the noise that comes from the gym is made by the girls. They have during their gym periods been concentrating on volley ball. It seems that under the direction of Miss Myers

Samford, they've organized quite a good team.

At the latest announcement the traveling squad included the following: Inez Joiner, Faye Myers, Louise Riddle, Ora Mae Bond, Betty Lou Hayes, Tressie Faye Young, Corrae Wilson, Genelle Dean, Wilma Jean Fancher and Marion Wells. This list is subject to change throughout the year in order to give more girls valuable experience.

Pipers Have
Losing Week-End

Although the Hamlin Pied Pipers fought in three losing games this week end, they are expecting victorious basketball season. They lost to the Sweetwater Mustangs Friday night, Jan. 2. This was followed by a loss to Avoca 17-20. The Piper junior team and B team lost to Aspermont. These losses do not mar the Pipers' title because they are merely warm up games for them. The conference games will start Friday night (tonight) Jan. 9 with a bang, when the Throckmorton Grey hounds come to meet the Pipers.

All Piper games will be held in the gym, and the admission for non-conference games is 10c and 20c. Admission for conference games is 15c and 25c.

Miss Smyers to Begin
Work in Sweetwater

Miss Camille Smyers, who has been home making teacher in Hamlin for the past three years, will begin her work in Sweetwater High school on January 16. She is to teach Homemaking in the Newman Senior High school there.

Before coming to Hamlin, Miss Smyers was employed by the Farm Security Board at Grosbeck. Before that she had three years' teaching experience. She has done a great deal toward improving the homemaking department here. The school wishes her much success in her new position.

Mid-semester Exams
Begin Next Week

Students of Hamlin High are dusting off their books and getting ready for another struggle with mid-term exams. These exams which come next week, will indicate the half-way mark of the school year.

The schedule has not been announced yet, but tests will begin early and run the entire week. Report cards will be issued the following week, and students will be ready to begin the last half.

Homemaking II Class
Entertains Friends

Spanish rice with sausage, English pea salad, celery, olives, pickles, rolls, butter balls, hot chocolate and candy were served Tuesday night buffet style when the girls of the second year Homemaking class entertained a group of their friends. This entertainment climaxed their food study for the semester. Sombreros were used for place cards, and the table was decorated with Mexican dolls.

Guests were: Marie Huling, Jo Barton, Phala Davis, Inez Joiner, Betty Abbott, Betty Hayes, Bobbie Wilson, Zelma Green, Burnadene Harris, La Nelle Andres, Faye Martin, Clara Spratlen, Dorine Carlton, Winnie Hassen, Vic Mae Bailey, Fay Johnson, Selma Hassen, Craigolene Elmore, Virginia Hampton and Mary Jo Sills.

New Year's Resolutions

1942 is already two weeks old and Hamlin High students are just now getting around to posting their resolutions. (More than likely they are already broken, but it was fun to make them). Here they are:

Buddie Newberry has resolved that he's going to pass English IV. (Miss Blake wants to know why he didn't start resolving last year). Milton Fletcher has resolved to be on time this year to all occasions—

and is Phala glad!

All students have resolved to study harder and behave better—if they have to.

The girls of Hamlin High are resolved not to drop their current romances just because Christmas is over.

Betty Lou Hayes has resolved not to give boys tie clasp sets next Christmas just because she wants them to wear ties.

Guy Elkins and Frances Nell Gardner are resolved—well, just resolved.

Max Harris has resolved to quit knocking three girls out of a car by slamming on the brakes.

Floy Lee has resolved to keep right on getting six page letters—if she can.

All the boys in the fifth period English class are trying to keep from falling for Nina Mae Riddle.

POT SHOTS FROM McCAULEY

BY GEO. DARDEN

We were delighted to hear from Dr. J. T. Bynum, through the Herald last week, and glad he is in on our list as one of our very best friends, and we would bet that if we needed a doctor, we could call Dear old Doc and he would come—even though he knows he might never get paid.

Mr. and Mrs. Turner Beard visited in the homes of Mr. and Mrs. L. E. Rector and Mrs. W. M. Keller during the holidays.

Mr. and Mrs. W. D. Berry spent Christmas with their son Doyle, who is in the Army at Ft. Bliss, El Paso.

Melvin Hunter and sister Miss Ruth spent the holidays with relatives in Fort Worth.

Boys of McCauley who will leave for training camps within the next few days are Doc Perryman and Fred Kemp, and there may be others that have received their notice that we do not know about. We wish all of them the best of luck.

We have been informed that Howard Miers, of Lamesa, formerly a McCauley boy, has been called to the colors.

The oil well on the farm of Hub Parker has been brought in—in the top pay and it is estimated to make at least four hundred barrels per day. This is the first well in the McCauley field that is producing from top pay, so it looks good to have an oil field where oil can be obtained from either the top or bottom pay.

We understand that some of the big farmers are returning some of the land rented back to their owners, and we imagine for several different reasons. First, labor is going to be scarce. Second the government will likely stop a lot of these big checks, and after it's all summed up, maybe our government has finally come to the conclusion that the one team farmer should have a chance to exist as in the days of old. We think so.

A little band of McCauley citizens met at the Baptist church on New Year's night as our President suggested; there were prayers, talks and songs, and though it was cold and not many in attendance, it was worth while.

Miss Charlett Singleton of Washington D. C., visited through the holidays with her aunt, Mrs. John W. Rector in McCauley. Miss Singleton is connected with the Department of Justice in the Nation's Capitol.

Lon Andress is preparing for the dry years that may come in the future, and we are informed that an abundance of water was found at thirty feet on the Andress property in McCauley.

Notice to the Public: All fees collected by me for Notary work, acknowledgements, etc., through the months of Jan. and Feb., will be turned over to the Red Cross. All fees collected by me through Jan. and Feb. for marriage ceremonies, performed will be used to purchase Defense Bonds and stamps. Signed, Geo. Darden, J. P.

The F. L. Rectors spent the day Sunday with the Woods family and we suspect that F. L. heard about Cecil killing hogs last week.

Levi McCollum and Luther Maberry made a trip to Aspermont last week on business.

This tire situation is becoming acute. In fact the jig is up for a lot of us folks who are caught with threadbare tires, and as we glance out the window and see two nice flats on our '29 vessel, we have come to the definite conclusion that she is down for the duration.

Mr. and Mrs. Jack Johnson are remodeling their home and expect to

have it in tip-top shape by February. Mr. and Mrs. N. D. Miers are planning to move to their new home near Hobbs in February.

We understand that O. R. Burnham has sold some fine Hereford bull calves. We imagine that there is no better herd of registered cattle anywhere than you will find on the Burnham stock farm.

Frank Maberry has been painting his stock barns and home and what we mean things are looking new and shiny, and Mr. Maberry tells us that he plans to paint a big sign on either side of his barn. Mr. Maberry is a breeder of fine cattle.

The principal speakers at a laymen's meeting at the McCauley Baptist church next Sunday night, will be Jim Ezell and Bowen Pope, of Hamlin and everybody is cordially invited. This special program was to have been last Sunday night but due to the severe cold, the meeting was postponed until next Sunday night. Don't forget—and be there, please.

If we were smart enough to re-write the dictionary we would say a pessimist is a "down right sore head" or a person who invariably puts the cart before the horse. Every community has one or two.

Mr. and Mrs. Pat Sharp and daughter Billie, had as their guests New Year's Eve and New Year's Day, the following: P. T. Barnes of McCauley; Mr. and Mrs. Amos Barnes and family of McCauley; Mr. and Mrs. Ernie Barnes and family of Tyler; Mr. and Mrs. Cordie Barnes and family of Brownwood; Mr. and Mrs. Cecil Rider and family of Abilene; Mrs. Theron Rogers of San Diego, Calif.; Mr. and Mrs. E. R. Lane and daughter of San Diego; Mr. and Mrs. Normel Sharp and daughter of Comanche; Mr. and Mrs. Purch Studeville and son; and Mr. and Mrs. Milton Sharp and a grand time was reported from this family reunion.

Leo Parker has just returned from Dallas where he has been attending an aviation school. A little notice was waiting for Leo to report to Roby for the physical examination for the army, so Leo tells us that he expects to be off with the rest of the boys about Feb. 14.

As long as we do not interfere with the rights of others, we are free to say what we please, worship as we please, write as we please and vote as we please, but if we commit an act of treason we interfere with the rights of others. Mr. Lindbergh has asked to join the air force, and if he is accepted thousands of Americans will protest. Didn't Lindbergh attack the Jews and our President? Didn't Lindbergh say that Germany would win the war? Didn't Dorothy Thompson say that Lindbergh was the No. 1 fifth columnist in America? And now are we going to be silly enough to open our arms and welcome Lindy back? On Dec. 7 the Japs were pretending peace and accepting the hospitality of our government in Washington and at the very same moment other Japs were winging their way to Pearl Harbor to drop their deadly bombs in one of the most cowardly attacks ever known to man. Folks, the lot game has been left open too many times and today is no time to risk any more surprise attacks or any confidence placed in any man who by his past has proved a sympathetic attitude toward the axis powers.

A DARDEN-O-GRAM.

ROUND TOP NEWS

Here we are again beginning a New Year. And is it cold out here! Mr. and Mrs. Terry Cooper accompanied Mr. and Mrs. W. D. Berry and children, Patsy and Gerald, to El Paso last week to visit their sons, Reed Cooper and Doug-Berry, who are stationed at Fort Bliss.

Mr. and Mrs. Frank Allen and children Don J. and Annetta, M. D. Brown, D. B. Scott and Mrs. Bill Cooper and daughters, Mary Nell and Christine, were visitors in the home of Mr. and Mrs. John Shelley Monday.

Paul Cooper has been ill this week with sinus.

Mr. and Mrs. W. D. Berry and daughter, Louise, of McCauley, were visitors in this community Thursday.

D. B. Scott and son, Buck, visited their daughter and sister, Mrs. George Leonard and family in Pecos last week.

Mr. and Mrs. Odell Garrett have been visiting his mother in Hamlin. James Shelley is visiting friends in Lubbock this week.

We are glad to report that Bart Jameson is improving after a prolonged illness.

Claude Allen, Midland, visited friends and relatives here last week. Mrs. Jules C. Warick of Monroe, La., is also a visitor here. She is the former Ollie Mae Allen.

There were no services at the Mt. Zion church Sunday.

We are very proud to report that the boys in uniform of this community are doing their very best in Uncle Sam's service.

BOYD CHAPEL CHIRPS

By Mrs. James Ferguson

Because of such cold weather Sunday only a few attended the Sunday schools. There were no services at either church.

Our community was made very happy when Mr. and Mrs. Charlie Young received a letter from their son Olen last week saying he was O. K. and not to worry. Olen was in Pearl Harbor at the time war broke out there.

Mrs. Wood who came to visit her daughter Mrs. J. P. Cornelius last week is quite ill at this writing with pneumonia.

The series of services held in the McCauley charge last week and conducted by Rev. Parnell, pastor of the Roby Methodist church, were well attended. At the last meeting held at Boyd Chapel an old fashioned pounding was given to Rev. and Mrs. Adcock, the McCauley pastor and wife.

Mr. and Mrs. Nolen Tabb visited in the home of Mr. and Mrs. Willie Tabb Sunday.

Mr. and Mrs. Bryan Young and family moved to the Harris farm last week. Glad they are still in our community.

Mr. and Mrs. Lee Ward moved to the Carpenters gap community last week but we are glad to hear them say that they would still belong to our neighborhood.

Mr. John Ferguson of Hamlin, father of James Ferguson, is quite ill at this writing with bronchial trouble.

Mr. and Mrs. J. A. Holder received a letter from their son, Rev. J. C. Holder who is in New York City, and was to have sailed from there Jan. 2nd for his home in Garagoag, Colombia, S. A., that no more passenger boats were allowed out and he and son Miles Edd and the native boy Florentine Romero, would go to Florida where they would fly by airplane from there.

DOVIE NEWS
